# Things you need to know...

1. To differentiate between UPC members who have purchased the summer outdoor session vs those who have not, we ask that every summer member print off an ID card and have it stamped by the one of the board members. Then you can laminate it and have it handy in your pickleball bag to show if questioned by the public or township.
2. Bring your own paddle and outdoor pickleballs. The Franklin X40 is recommended.
3. Also good to have a first aid kit in your car as UPC is not able to provide one for the outdoor courts.
