

Refund Policy

Once a session fee is paid it is non-refundable, just as the yearly fees for PC and PO are. With limited space and great demand for that space be sure to review your purchase before submitting payment.

No Guest Policy

The “No Guest Policy” exists for 2 reasons. First is insurance and second is we operate at maximum capacity so playing opportunities go to our members. Also we do not have a safe place at St. Paul’s in which to observe play.
